

Jurisdictions Guidelines for Accepting a UCC Record Presented for Filing Chart

The following assumptions apply:

1. The problem described is the only issue; all other information on the form is correct.
2. The procedure outlined is filing officer action only; it does not indicate legal correctness or perfection.
3. Where options are provided, the order of options does not indicate preference. The listing of options indicates that IACA's STS Section members were unable to reach a consensus on one course of action.
