I am registering for:

- A full Master List of all Utah Counties and all farm products, or
- A partial listing of counties and/or farm products

If you register for a partial listing:

1. You must specify the counties for which you want a partial list, and
2. You must specify the farm product category and specifics for which you want a partial list, and
3. You can register for any farm products within any county in the state of Utah.
